

CANADA'S FIRST* & FINEST PRIVATE SKI CLUB

The Tradition Lives On

Osler Bluff Ski Club was founded in 1949 by two men whose vision included shorter lift lines and less crowded slopes. For more than 60 years, the club's progressive spirit has ensured the development of superior facilities and a wide variety of high-quality programs.

But Osler Bluff Ski Club's greatest asset is its family-oriented recreational environment. The club has developed as a truly unique family experience in which children, parents and grandparents participate together. For four generations, our club's friendly atmosphere and sense of community have made it a large family unto itself.

Features

◆ Uncrowded slopes: Osler Bluff boasts the most skiable acreage per member of all Ontario clubs, with over 20 runs, ranging from beginner to expert, while a vertical drop of 743 feet provides skiers with some of the regions longest runs.

- ◆ Our 8-acre terrain park has a full-size half-pipe and two dozen features, including rails, boxes, jumps and hips.
- ◆ Located 10 kilometres from the Georgian Bay shoreline, at a base elevation 200 feet higher than Blue Mountain, Osler Bluff benefits from the large amounts of natural snow carried over the Escarpment by prevailing winds as they move inland.
- ◆ Osler's distance from Georgian Bay creates optimal artificial snowmaking conditions and provides comfortable skiing on sheltered runs.
- ◆ Advanced snowmaking equipment services over 80 percent of the skiable terrain, and groomers work throughout the night to create optimum snow conditions.
- ◆ The area is serviced by four lifts, including 2 high-speed detachable quad chairs. For those wanting a change of pace, over 12 kilometres of marked cross-country skiing and snowshoeing trails wind through the club's property.

Snow School & Racing

Our renowned Snow School provides programs for everyone from preschoolers to seniors, beginners to experts. Christmas camps to weekend sessions to March Break camps — we have it all!

Racing is an integral part of Osler life, from entry-level (age 7) to adult house league, and we have an extremely qualified coaching staff. Ten Osler junior racers have progressed to Canada's National Team, including six-time World Cup champion Laurie Graham, two-time Olympian Luke Sauder, and current snowboard contender Jeff Batchelor. Our racing program welcomes everyone from the young to the young at heart.

Social Activities

Every weekend throughout the winter, Osler hosts social events such as Friday-night buffet dinners, après-ski parties, teen dances, club dinner-dances, family fun days and barbecues. There are events for all ages in this fun-packed calendar.

Membership

Osler Bluff Ski Club is a non-profit private club with just over 1,250 member families and a solid financial standing. When children reach the age of 18, they have the option of becoming shareholders for a nominal fee. Spouses and children also become part of the Osler family, passing on the tradition. Osler now has four generations of skiing families.

Membership provides a valuable endowment for future generations who wish to enjoy a superior quality of skiing, snowboarding and social activity. We do not plan to increase our membership base, but we do accept new members annually to replace attrition. Our introductory member program allows families to enjoy all of the club's amenities and programs for one season to ensure Osler is the right fit for you.

Benefits of Membership

- ◆ Best snow on the Escarpment
- ◆ The greatest variety of terrain
- ◆ More space for turns
- ◆ Strong financial foundation

Osler Bluff Ski Club is an investment in family, one we hope you will want to pass on to your children and to their children. **For further information regarding membership, please contact our club office at (705) 445-4507.**

We hope you will enjoy your visit to Osler Bluff, and we look forward to seeing you again. Have a safe day on our slopes!
