### Silver Star Trail Etiquette

We hope you enjoy your visit to Silver Star Mountain Resort and we ask that you us help protect it. Please stay on designated tails only. Hiking trails, sensitive alpine areas, and designated ski runs are all closed to mountain bike riders. Please obey all posted signs. Trails outside of the Silver Star Boundary are not patrolled. Use at your own risk. Remember, you are in a mountain environment. Please wear appropriate clothing and never approach wildlife. Please respect the rights of other trail users.

Pets must be under control and on a leash at all times, and are not allowed to harass wildlife or other visitors. Always be careful with matches, cigarettes, etc., and observe all fire restrictions. Please do not litter. Do not collect natural materials along the trails. Silver Star Mountain Resort thanks you for your cooperation.
