**MOUNTAIN BIKER RESPONSIBILITY CODE**

- Always stay in control and be able to stop or avoid other people or objects. The downhill rider has the right of way.
- Do not stop where you obstruct a trail or are not visible from above.
- When entering a trail or starting downhill, you must look uphill and yield to others.
- If you are involved in or witness a collision or accident, you must remain at the scene and identify yourself to bike patrol.
- Keep off all closed trails and out of closed areas. Do not ride on work roads or ski slopes unless

- part of the bike trail. Observe and obey all signs and warnings.
- Modifications to the park are not permitted. Do not cut switchbacks.
- You must not use lifts or terrain if your ability is impaired by the use of drugs, alcohol, or fatigue.
- You must have sufficient physical dexterity, ability, and knowledge to safely ride and unload lifts. If in doubt ask the attendant.
- Hiking and uphill riding are not permitted in the bike park for safety reasons.
- Do not feed, provoke or approach wildlife.
