VALLEY PARK

Located off Valley run, Valley Park contains small and medium features, such as jumps, boxes, tap features and rails. Great place to progress your skills.

LIL' PARK

Located off Big Easy, Lil' Park contains extra small features, such as rollers, boxes and small jumps.

KICKBACK PARK

Located off Raketon 6, Kickback Park contains our biggest features. You can find rails, jumps, and our signature modified 22' halfpipe at the bottom of the trail.

OUTCAST PARK

Located off Raketon 6, Outcast Park contains features ranging from small to large. You can find almost anything in this park, and is good to dial in your skills.

AIR SITE

Located between Outcast and Kickback park, Air Site contains medium, large, and extra large jumps.

OUTTA SITE

Located off of Air Site, Outta site is the route that leads back to Outcast Park. Outta Site contains medium features, such as jumps and rails

TERRAIN PARKS

- Start Small**
Work your way up. Build your skills. Every feature. Every time.
- Make a Plan**
Before you drop.
- Always Look**
The features and other users.
- Respect**
Know your limits. Land on your feet.
